---

HydraFacial is an invigorating resurfacing treatment that delivers long-term skin health and can be tailored to meet the specific needs of all skin types. It offers instant, noticeable results with no downtime or irritation. This facial is relaxing, pain-free superficial skin exfoliating procedure that removes the outermost layer of skin while vacuuming the exfoliated skin cells away in a controlled manner leaving the skin more supple and vibrant including Vortex-Fusion of antioxidants, peptides, and hyaluronic acids. The treatment is soothing, refreshing, non-irritating and immediately effective. The HydraFacial treatment is designed for all skin types. Treats sun damage, acne, and fine lines. Regular treatments every 4-6 weeks recommended to promote skin health and achieve maximum results.
