ATLANTIC CITY, NJ (May 16, 2024) – Golden Nugget Atlantic City is excited to announce that the first phase of a multi-million-dollar hotel and room renovation project is now complete. The hotel welcomes guests to begin [booking renovated rooms](#) now. Aimed at enhancing the overall guest experience, transformative upgrades were executed throughout a number of hotel guest rooms and suites featuring a refined color palette, first-class furnishings, entirely refreshed bathrooms with expansive showers, new corridors, and more. This newest remodel comes on the tail end of other recent upgrades at the property including the addition of the all-new, authentic Mexican restaurant Dos Caminos, enhanced redesign of the popular Chart House restaurant, as well as significant meeting space and casino floor upgrades.

“We are eager for guests to experience these transformative upgrades at our Atlantic City Casino property,” said Tom Pohlman, General Manager. “The refreshed and beautified spaces will provide a luxurious stay worthy of our valued customers.”

Highlights of the room renovations encompass numerous interior enhancements such as all-new designer furniture and lounge seating in soothing neutral tones that invite guests to unwind in style. New lighting includes accent sconces and contemporary floor fixtures, providing bright workspaces, while maintaining a cozy atmosphere for relaxation. Bedside convenience is also at your fingertips with integrated USB and USB-C outlets and LG 55-inch flatscreen televisions catering to the everyday needs of today's travelers. Each bed features a top-of-the-line Simmons Beautyrest mattress and supple Sobel Westex linens. The bathrooms are a true testament to luxury, showcasing spacious walk-in showers enclosed in modern glass, deluxe Speakman showerheads, and backlit mirrors over sizeable vanity sinks, which create a spa-like oasis and meet guest's heightened wellness expectations. Luxury flooring spans the entirety of each space, uniting the interior decor and adding a touch of modern practicality to the guestroom experience.

Golden Nugget Atlantic City, one of New Jersey's most desirable entertainment and hospitality destinations, will now move to the second phase of renovations beginning in September.
